

# COVID-19 INFORMATION

Hello,

The exceptional circumstances due to the Covid-19 force us to adapt.

**To ensure the maximum level of security, we only accept stays from two nights until September 30, 2020.**

## Cancellation

In accordance with the order taken in France on March 25, 2020 to deal with the Covid-19 epidemic, if you cancel your stay between March 1, 2020 and September 15, 2020, you will be offered a credit note valid for 18 months.

At the end of these 18 months, if this credit has not been used it will be reimbursed.

## After COVID-19

The cleaning in the rooms and in the house is done daily and we apply the good practices published by the **National Federation of institutional organizations of tourism** by implementing **specific hygiene measures** ([lien](#)).
